> “The number one most valuable asset I’ve reaped from associating with Gary Greene is the 24/7 help from my office manager. I’m so grateful for her help as well as my calls when I need help. I am thrilled with the ZAP CRM program that comes with association, and I received several rental leads from one who also had my future buyers. I went from $30,000 at another firm to reaching my $2 million dollar goal this year alone with GHGRE. And I give the biggest credit to my manager for helping me all the way and to Gary Greene for providing the resources, education, supplies, and leads to help me prosper in my job.”

One of my biggest concerns in my transition to real estate was ensuring that I would receive the training and support that would jump start my career. The Fast Track program offered the knowledge and foundation to successfully gain prospects as well as execute real estate transactions with ease. The training and support from my Manager is the reason I have been able to begin so successfully. They are always a phone call away when I need them. In my first six months I have closed eleven contracts! Thank you for your amazing support BHGRE!”

— Lauren Ashley, Realtor® – CHAMPIONS OFFICE

> “I could not have chosen a more perfect organization to begin my real estate career! BHGRE Gary Greene offers personalized training and has cutting-edge technology that gives me insight into the market and connects me with clients who are serious about the home buying/selling experience.”
